Examples shown illustrate the typical Cash Back rates of between 1/2% and 3/4%. Actual Cash Back is calculated as 25% of the commission as agreed between the seller's agent and buyer's agent, and is available only to buyers who close on property with MikeMotta.com Real Estate as the sole and exclusive agent in the purchase of real estate. Cash Back is paid when buyer agent commission is paid by the seller's agent, which is usually at, or shortly after, closing. This offer is only available where permitted by law, and only when permitted by the buyer's lender. This offer is subject to limitation, modification, and may be discontinued without notice.
